

Disclaimer

Last Updated: 11 July 2026

The information provided by **WebOre** ("Company," "we," "our," or "us") on our website is for general informational and business purposes only. By using our website or services, you acknowledge and agree to the terms of this Disclaimer.

1. General Information

The content published on the WebOre website is intended to provide general information about our web design, web development, UI/UX design, and related digital services.

While we strive to keep all information accurate and up to date, we make no guarantees regarding the completeness, accuracy, reliability, or availability of any information on our website.

2. No Professional Advice

The information provided on our website should not be considered legal, financial, tax, or business advice.

Clients should consult qualified professionals before making decisions based on the information available on our website.

3. Project Results

Every business is unique.

Although WebOre follows industry best practices when designing and developing websites, we do not guarantee specific outcomes, including but not limited to:

- Increased sales
- Higher search engine rankings
- More website visitors
- Business growth
- Customer conversions

Website performance depends on many factors outside our control.

4. Third-Party Services

Our projects may use third-party services including:

- Web Hosting Providers
- Domain Registrars
- Payment Gateways
- Google Services
- Cloud Platforms
- APIs
- Third-Party Plugins
- External Software

WebOre is not responsible for downtime, failures, pricing changes, security incidents, or service interruptions caused by these third-party providers.

5. External Links

Our website may contain links to third-party websites for your convenience.

WebOre does not own, control, or endorse the content, products, or services available on external websites and is not responsible for their accuracy, privacy practices, or availability.

Visiting third-party websites is done at your own risk.

6. Limitation of Liability

To the fullest extent permitted by applicable law, WebOre shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising from:

- Use of our website
 - Use of our services
 - Delays in project completion caused by client actions
 - Loss of profits
 - Loss of business
 - Data loss
 - Cyber attacks
 - Third-party service failures
 - Website downtime
-

7. Client Responsibilities

Clients are responsible for providing:

- Accurate information
- Website content
- Images
- Logos
- Licenses
- Copyright permissions

WebOre is not responsible for copyright infringement resulting from materials supplied by the client.

8. Intellectual Property

Unless otherwise agreed in writing:

- All original WebOre branding, templates, designs, graphics, source code, documentation, and other intellectual property remain the property of WebOre until the agreed payment terms have been fulfilled.
 - Upon full payment, ownership of the agreed project deliverables will transfer to the client, except for any third-party software, open-source components, or assets licensed separately.
-

9. Service Availability

We strive to maintain uninterrupted services; however, we do not guarantee that our website or services will always be available, secure, or free from errors.

Maintenance, technical issues, or events beyond our reasonable control may occasionally affect service availability.

10. Changes to This Disclaimer

WebOre reserves the right to modify this Disclaimer at any time without prior notice.

Updated versions become effective immediately after being published on our website.
